

# The New Pattern for Success

## *Living System Life and Work*

Part 2 - 4

Mega-Force 1

The human transformation  
to living system life and business

Phase 1 Life Intro and

Cycle 1 Life – Stages A & B

# Phase 1 Human Life Descriptors

## Underlying Patterns Of Life

- **Generalized Separation” of Life’s Bi-Polar Opposites**
- **Fixation On Separating Poles and Using a Single Pole Focus**
  - **One Pole As “Good” – Consciously Accepted**
  - **Other Pole As “Evil” – Banished to the Unconscious**
- **New Type of Compulsive “End-Point Seeking” Becomes Life Purpose at Each Stage**
- **Each Cycle of Two Stages is a “Flip-Flop” from One Single Pole Excess to Its Opposite**
- **Person Compensates For Banished Pole by Projecting Unconscious Energy On Other Persons, Groups, Situations**
  - **Causes Infatuation and Hatred, Disagreement, Conflict**

# Phase 1 Human Life Descriptors

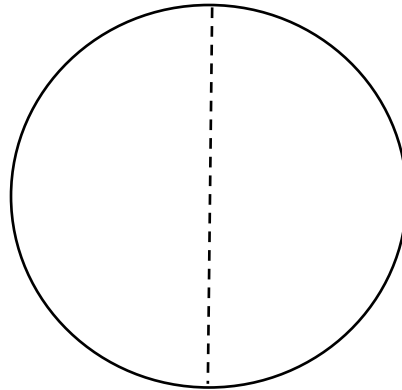

## Underlying Patterns Of Life –

- **New Type of Motivation Pattern at Each Stage**
- **Drives to Achieve and Defend Some “End Point” Goal**
  - **Equilibrium Position at the Positive Pole**
  - **"End" In Itself That Justifies One's Human Worth**
  - **Psyche Evolution Cycles from One Human Excess to Another**
  - **Independence-Individualism Excess (Stages C and E) to Dependence-Collectivism Excess (Stages B, D and F)**
- **Psychological Flip-Flop and Conflict Is the Basic Dynamic**
- **Continuous Individual vs. Collective Antagonism**

## Cycle 1 Descriptors

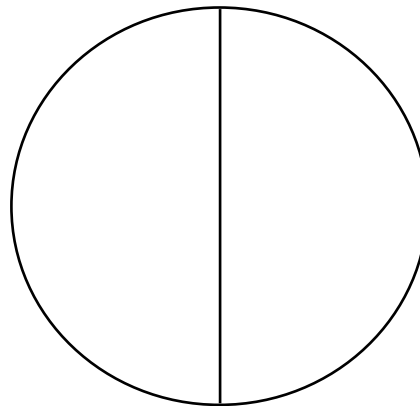

- **Stage A – Man Emerges as a Human**  
**Stage B – Man Stabilizes and Protects His Fragile Existence**
- **First Half of Human Psyche System Structure Forms**
  - **Conscious vs. Unconscious Dimension**
- **Man Creates Conscious Differentiations**
  - **Self vs. Other Objects**
  - **Now vs. Not-Now Time**
- **Man Cannot Consciously Differentiate**
  - **Psyche vs. Body**
  - **Individual vs. Collective**
- **Life Dominated By Forces and Cycles of Nature**
  - **Perceived Symbolically**
  - **Worship the *Earth Mother Goddess***
- **Sign and Verbal Communication**

# Cycle 1 Psyche System Symbols

## Stage A

**Conscious vs. Unconscious  
Dimension of Psyche Created**

## Stage B

**Conscious vs. Unconscious  
Dimension of Psyche Stabilized**

Conscious      Unconscious

## Paradigm – Stage A

### **Primitive, Hunter Gatherer – Infancy**

- **Emerged – > 1 Million Years Ago**
- **World Leader – Until ~ 30,000 BC**
- **Behavior – Instinct, Primitive Association, Repetition**
- **Learning – Primitive Memory of What Works**
- **Action Basis – Instincts, Primitive Memory**
- **Psyche Dysfunction – Lose Consciousness**
- **Psyche Pattern – Phase I, Cycle 1, Individual Centered**

# Paradigm Summary – Stage A

## Primitive, Hunter Gatherer – Infancy

### Personal Paradigm

- **Physical Sense Driven Life**
- **Instincts & Habits to Satisfy Needs, Fearful Reactions**
- **Primitive Sound & Sign Communication**
- **Salvation = Survival**

# Paradigm Summary – Stage A

## Primitive, Hunter Gatherer – Infancy

### Collective Paradigm

- Leadership by Primitive Skills to Cope With Danger
- Organized by Small Nomadic Groups
- Invented Primitive Work Groups

## Paradigm Summary – Stage A

### **Primitive, Hunter Gatherer – Infancy**

- **Motivation – Satisfy Physical Stress and Needs**
- **Mission – Survive**
- **Ends Valued – Immediate Physical Needs Satisfied**
- **Means Valued – Instincts, Proto-Habits and Primitive Tools**
- **Life Theme – Survival**

## Paradigm – Stage B

### **Mystical, Tribal – Early Childhood**

- **Emerged – ~ 30,000 Years Ago**
- **World Leader – ~ 20,000 BC to 8,000-5,000 BC**
- **Behavior – Group Centered, Submissive, Passive, Superstitious, Hypnotic, Imaginary, Gynolatrous**
- **Learning – Conditioned Response, Verbal, Demonstration, Repetition**
- **Action Basis – Authorized Way the Group Does It**
- **Psyche Dysfunction – Withdraw from Group Participation**
- **Psyche Pattern – Phase I, Cycle 1, Collective Centered**

## Paradigm Summary – Stage B

### Mystical, Tribal – Early Childhood

#### Personal Paradigm

- Life Inseparable from Family & Tribe and Controlled by Awesome Forces of Nature
- Unassertive, Trance Like, Participate Without Question
- Verbal & Symbolic Communication
- Religion Is Nature, Earth and Female Centered
- Salvation = Safety Through Group Belonging/Participating

## Paradigm Summary – Stage B

### Mystical, Tribal – Early Childhood

#### Collective Paradigm

- Leadership by Tribal Elders, Chieftains, Shamans
- Organized by Rigid Family & Tribal Relations, Structured Roles
- Collective Actions are Obsessions, Innovationless
- Females Have Powerful Roles
- Invented Stable Tribal/Village Society of Families

## Paradigm Summary – Stage B

### **Mystical, Tribal – Early Childhood**

- **Motivation – To Belong, Align, Participate, Support, Get Strength from Family & Tribe Rules & Instruction**
- **Mission – Act As Group Prescribes, Assures Safety & Survival**
- **Ends Valued – Group Rights of Membership, Acceptance, Participation**
- **Means Valued – Actions Strictly Aligned with Family & Tribe Beliefs and Rules**
- **Life Theme – Live as Family & Tribe Leaders Require. Freedom of Thought and Action Do Not Exist**

# Cycle 1 Psyche System Pole Structure

## Conscious Pole (Psyche Open To)

**Stage A**  
**Primitive Awareness by  
Instincts & Proto-Habits**

**Stage B**  
**Personal Identity Totally  
Aligned with the Group.  
Conditioned Response &  
Control Imposed by Family  
& Tribe Leaders, Habits,  
Rituals, Rites, Superstitions,  
“Participation Mystique”**

## Unconscious Pole (Psyche Closed To)

**External Limits or Controls  
on Satisfying Physical Needs**

**Personal Identity Separate  
From Family & Tribe.  
Questioning or Opposition to  
Family & Tribal Control.**
