

The New Pattern for Success

Living System Life and Work

Part 2 - 7

Mega-Force 1

The human transformation
to living system life and business

Cycle 3 Life

Stage F

**Transformation
to Stage F –
Relativistic, Socialistic Man**

A Brief Word Picture

Paradigm – Stage F – Western

Relativistic, Socialistic – Mid to Later Adult

- **Emerged – ~ 1750 AD to 1850 AD**
- **World Leader – ~ 1950 – Now Peaking**
Competing with Stage E for Dominance
- **Behavior – Non-Linear, Introspective, Intuitive, Subjective, Qualitative, Relativistic, Socialistic, Emotional, Non-Competitive, “Anti-Scientific”, “Anti-Materialist”**
- **Learning – Experiential/Observational Learning with Supporting, Accepting Group and Leader – Compulsive Search for Inner Harmony and Accepting Human Relationships**
- **Action Basis – Inner Drive to Find Human Understanding, Meaning, Purpose, Relationship – Authority of Collective Social & Political Power – “Situational Ethic”**
- **Psyche Disease – Involuntary Melancholy & Depression, Self-Doubt, Hopelessness, Addictions, Suicidal**
- **Psyche Pattern – Phase I, Cycle 3, Collective Centered**

Paradigm Summary – Stage F – Western

Relativistic, Socialistic – Mid to Later Adult

Personal Paradigm

- **Self as Affiliative Being, Subjective, Emotional, Intuitive, Qualitative, Dependent, Anti-Materialist, Cooperative**
- **Life is Inner Quest and Inter-Personal Search for Self-Understanding, Meaning, Purpose and Relationship and Collective Power to Implement Socialized Programs**
- **Drive to Achieve Inner Harmony – Consciously Discover the Unconscious and Complementary Opposites of Everything, Relativism – Phase I Life Separate Pole Focus Breaks Down**
- **Religion is Mystical, Often Occult, Search for Direct Spiritual Relationship with God – West Turns to Eastern Spiritual Knowledge and Experience**
- **Salvation Sought in Inner Harmony with Self, The Infinite, Dependent Relationships and Collectives**

Paradigm Summary – Stage F – Western

Relativistic, Socialistic – Mid to Later Adult

Collective Paradigm

- **Leadership by Both Socialistic Bureaucracy and “Guru” Leaders – Charismatic, Accepting, Inspiring Guides - Create Emotional, Dependent Bonds**
- **Wide Organization Range – Small Guru Led Groups to Socialist Nation States to Inter-National Agencies Aligned with Human Need – Collective Power Dominates Private Interests**
- **Business Organizations – Confused Mix of Stage E & F Paradigms – “Socially Correct” Surface with Underlying Stage E Machine System Core – High Costs and Inefficiencies of Both**
- **Western Political Leaders – Ideological Zealots and/or Indecisive and Weak – Business Leaders – Unable to Compete Materially – Both Situations become Critical Issues**
- **Non-Linear and Relativistic System Science Strengthen – Linear System Science Challenged**

Paradigm Summary – Stage F – Western

Relativistic, Socialistic – Mid to Later Adult

- **Motivation – Become at Peace with Self, Affiliative and Dependent – Believe Subjective Truth Exists and Discover It in Life**
- **Mission – Achieve Self-Understanding, Inner Harmony, Guidance, Participation in Relationships with Others and Nature – Act to Impose Socially and Politically Correct Programs**
- **Ends Valued – Inner Peace, Accepting and Nurturing Relationships, Social/Political Results, Direct Experience of the Infinite**
- **Means Valued – Subjective & Emotional Reason and Relationships – Relativity & “Situational Ethic”, Reject Materialism – Social Measures of Success, Experiential, Relative Progress Not End-Point Goals**
- **Life Theme – Live in Harmony With Inner Self & Others in a World of Socialized Dependency, Relative Values and Complementary Opposites**
